Sample Itinerary 2017 Student Safari Tours

- ★ Please note that this itinerary is designed to give a broad idea of the day to day itinerary of a cSafari Student Educational Safari in 2017. Details and destinations may vary widely and booking may need to change depending on availability.
- ★ Days start early as the sun rises early in Africa and much activity takes place in the morning.
- ★ Dinner and lights out consequently are early, as days are packed with activities and interest.
- ★ All meals, airfares and local transport are included in the total price. Curious and fun rides and well as extra purchases of snacks and toiletries as well as general shopping are not included.
